CONCRETE COVER - PROPERTY OWNERS

“Concrete Cover” is a tailored insurance package devised by Morgan Richardson Ltd., insurance brokers established in 1994, specialising in tailored insurance products. “Concrete Cover” is a Commercial Property Owners’ Insurance Policy available to Landlords’ where the property is leased.

Insurance Values and Protection Against Inflation

It is very important that you insure your property at its correct value. You should review and update your cover periodically to ensure it remains adequate. If you underinsure you may receive a reduced payment in the event of a claim.

The Buildings should be insured for the cost of rebuilding, not for their market value. A sum should also be added for Architects’ Fees, Debris Removal, the cost of meeting any Local Authority requirements and Loss of Rent, where applicable.

The Policy is automatically index-linked where applicable, to protect the value of your insured property against the effects of inflation. This means the amounts insured are adjusted annually to reflect changes in the index tables.
